Incident Description

I, Resident Assistant, Robert Grady, was conducting my rounds on the third floor in Brumby Hall on January 9, 2016 around 9:30pm. I noticed the door of room 203 was slightly ajar by about six inches when I walked by. When I came up to the door, I noticed several bottles of alcohol on the floor on one side of the room. The three bottles included Jack Daniels, Jose Cuervo, and Bacardi. I notified the graduate resident on duty and photographs were taken. The residents were not in the room at the time of me seeing the bottles.

Notes/Narratives**NARRATIVE**

On May 9, 2014 at approximately 0210, I was on bicycle patrol on E. Clayton Street when I observed a male peeking around one of the pillars inside the bottom floor of the Hilton Garden parking deck. I rode up to him and observed two males further down behind vehicles as they saw me they turned and began walking the other direction. SPO Whitney got out with the first male that I saw and I stopped the other two.

The first subject I spoke to (John [REDACTED]) had a strong odor of an alcoholic beverage coming off his person and said he was looking for his car. The Hilton Garden deck is a private deck that only allows their guests to park there. I obtained John's driver's license that showed him to be 19 years old. I asked why they were hiding down in front of the vehicles in order to dispel my alarm.

The other male (William [REDACTED]) advised that he was urinating because he couldn't find anywhere that would let him use their restroom. I asked William if he had been drinking anything tonight he said three beers and that he was 19. I had to step away from John in order to determine if William also had the odor of an alcoholic beverage and he did as well.

John and William were arrested for Possession of Alcohol by Person Under the Age of 21 and William was also charged with Urinating in Public. They were both handcuffed double locked behind the back and turned over to SPO Whitney to transport to CCSO Jail.

RE: John; Incident 00115-001-2016

On January 20, 2016, I had my initial case meeting with John concerning incident No. 00115-001-2016. I explained the Code of Conduct and his right not to discuss this matter with me. Further, I notified him that any information I gathered could be used to resolve the case either formally or informally.

In discussing the incident and associated police report, John stated he had been working at a restaurant downtown earlier on the evening of the incident. He stated that because he works at a restaurant serving customers food and drink, he had alcoholic drinks spilled on him and that is why he smelled of alcohol. John further stated he ran into his friend William at Flannigan's and the two of them decided to leave downtown together. John stated he could not find his car in the parking deck and that is when the police interacted with him.

UGA student arrested on alcohol, and public urination charges

May 10, 2014

Early Saturday morning, a University student was arrested and charged with underage possession, according to the Athens-Clarke County police report.

John, 19, was found in the parking deck of Hilton Garden Inn on 390 E Washington Street. According to the responding police officer, John was standing in between two cars when he arrived to the scene.

Eventually, the officer instructed John to walk towards him, but then John reportedly began walking away from the officer.

With the help of another officer, the responding officer was able to cut John off, according to the report.

Once John was standing in front of the police officer, he noticed a strong odor of alcohol coming from John's person. The officer, then, told John to produce an ID, and John gave the officer a South Carolina ID which said he was 19.

The officer asked John where he thought he was.

John said he thought he was in the North Campus Parking Deck, according to the report.

The officer arrested John and charged him with underage possession of alcohol.

John was taken to Clarke County Jail.
